

CJINI Inspection: An Inspection of how the Criminal Justice System tackles Child Sexual Exploitation

Probation Board for Northern Ireland Action Plan

	Operational Recommendations	Action	Completion Date
1	The PBNI should review its existing child safeguarding procedure to ensure safeguarding in the specific circumstances of CSE is covered, and that instruction about the risks of sexual harm to 16 and 17 year olds is clear.	PBNI has revised its Child Safeguarding Procedures and inserted additional information in respect of the risks of sexual harm to 16 and 17 year olds.	June 2020
2	Within six months of publication of the report, each inspected agency should complete a child protection (including CSE) training needs assessment and time bound risk assessed plan for delivery.	Child protection (including CSE) is included as a priority in PBNI's Training Needs Analysis for 2020-21. Multi agency training re CSE is also to be progressed by the SBNI CSE Sub Group. PBNI is represented on this group.	May 2020 ongoing
