ANNEX B

ACTION PLAN

RECOMMENDATION	ACTION TAKEN/PLANNED ACTION	TIMESCALE
Strategic recommendation 2 (suggested rewording): Within eighteen months of publication of this report the Department of Justice, in conjunction with criminal justice organisations, should develop proposals, for the introduction of electronic service of summonses and other court documents, identifying operational and legislative requirements.	The Digital Project, under the SUJ programme, has been established and work is at an early stage with plans on the way forward to be developed and agreed in the coming months. Exploring the electronic service of summonses and other court documents will be a central to this work.	TBC
